

ECREA – TWG ON THE ETHICS OF MEDIATED SUFFERING

ANNUAL REPORT 2020

All planned activities of the TWG were unfortunately suspended due to the global COVID-19 pandemic during 2020.

The TWG will be participating with one panel on the theme of ‘Truth, precarity and emotion in UGC journalism’ in the forthcoming 2021 ECREA conference in Braga.

The management team for 2020 remained the same: Lilie Chouliaraki (London School of Economics) as Chair and Mette Mortensen (Copenhagen University) and Maria Kyriakidou (Cardiff University) as vice-chairs. Richard Stupart (London School of Economics) is the YECREA representative.

The TWG has currently 40 members.
