

Media Industries and Cultural Production Report 2020

The section has not organised any activities in 2020 due to the Covid-19 pandemic. We reviewed all 53 abstracts submitted for the Braga conference and started to put together a suggested panel of papers. However, this work was postponed when it became clear that the ECREA conference would not be taking place in Braga in October 2020. We have set up a Facebook group for the Section to facilitate communication between conferences.
